

VERSE ONE

There's a place
That I go
Where I know
I can
Grow my mind
Then I'll find
That I'll
Understand

PRE-CHORUS and CHORUS

That I can be anyone
As big as the stars and sun
And just like a legend king
I can do anything

If I believe it
I'll achieve it
At Cottonwood Canyon Elementary School
Bear Cubs! (clap, clap, clap)
Bear Cubs! (clap, clap, clap)

VERSE TWO

It's my life
So it's right
That I take control
To do my best
For success
Then I'll reach my goal

(repeat PRE-CHORUS and CHORUS)

RAP

Being enthusiastic
Active responsible citizens
Ultimately being successful
Bear Cubs! (clap, clap, clap)
Bear Cubs! (clap, clap, clap)

(repeat PRE-CHORUS and CHORUS)

Yeah!
