

HALLOWEEN PARADE GUIDELINES

All students K-5 may come to school in costumes on October 31. (No scary, bloody faces or masks)

Please keep weapons “props” such as toy knives, spears, swords and guns at home as they are not allowed at school.

There will be a morning parade at 10:00 a.m. and parents are welcome to view the parade out on the blacktop area.

Students need to wear regular clothes under costumes. There is neither time nor facilities sufficient for students to change in the restrooms.

Students should bring a bag labeled with their name and room number to put their costume in after the parade.

Also, if you are bringing snacks for a classroom, please arrange this with the teacher for the most convenient time to drop them off. Thank you
